GLOBAL ALLIANCE OF NGOs FOR ROAD SAFETY

Alliance Accountability Toolkit

Mission Statement: We mobilize and empower NGOs from around the world to act together to make roads safer for all road users and advocate for the rights of victims www.roadsafetyngos.org

Accountability

Government keep people safe

National Government

Society demand safety

PEOPLE

City Government State Government

Accountability alert !!!

Is your government currently.....

- providing a road transport system that keep youth with disability safe?
- transparently allocating and spending resources on evidence-based interventions?
- demonstrating results in terms of death & injury reduction?

What can Youth Disability Advocacy do?

Watch what government is doing

Check government is fulfilling their roles

Check how well government is doing

Reward government when they do the right thing

ACCOUNTABILITY

Challenge government when doing but not the right thing

Challenge government when not doing Support /
